Second Position at The Strategy Consulting Case Competition

PGPpro Del'24 Team Prameya stood second out of 1462 teams in Strategem - Strategy Consulting Case Competition- India's Biggest Case Competition Conclave. The team won a cash prize of INR 1 Lac. This was a real-world Business Case Study competition held at a national level and hosted by Masters' Union.

ADITYA ARORA - ANGEL INVESTOR, CEO AT FAAD CAPITAL

A captivating discussion between Aditya Arora, CEO of Faad Network Pvt. Ltd, and the Indian School of Business PGP Pro cohorts, arranged by Simran Singla. We discussed the working models of Venture Capitalist firms, and the life cycle of VC funds. The insightful discussion provided valuable insights into the dynamics between investors, angel investors, venture capitalist partners, and startup founders.

PALLAVI - VIDA WORLD, KUNAL - ROYAL ENFIELD

We conducted an engaging networking session with brightest marketing & customer experience practitioners of Indian Automotive industry Pallavi Singh and Kunal Dhrangadharia. Pallavi talked on 3C (Context, Content & Commerce) in the new age of marketing. While Kunal shared his insights on GTMs and creating the brand loyalty.

MUSTAFA GOLAM - GOOGLE

PGP Pro Delhi'24 cohort successfully organized its first visit to Google office, Gurgaon in Feb'24 by Anind Gupta in coordination with Mustafa Golam, Regional Lead – India and Asia Pacific, Project Taara at Google X. ~15 cohort members had attended and gained insights on cutting edge technology developments and organizational dynamics.

AVANTIKA SINHA - STILLWATER

Women in Leadership Club host a leadership workshop facilitated by Mrs. Avantika Sinha from Stillwater. focus was on personal effectiveness, shedding light on how the habit of making excuses and shying away from ownership can hinder our growth. Mrs. Sinha guided us through the nuances of our "helpless" and "ownership" stories, unraveling their subconscious benefits.

What set this workshop apart was the eye-opening experience of self-reflection. We delved into our own narratives and our peers from different perspectives.
